Celebrating 30 Years of Dancefusion!

A Letter from the Directors

Dear Dancefusion Families,

What an exciting start to our 30th Dance Season!

We want to take a moment to thank each and every one of you for choosing to be part of the Dancefusion Academy of Dance family. Whether you are a returning family who has been with us for many years or you are joining us for the very first time, we are so happy to have you with us for this very special anniversary season.

A heartfelt WELCOME to all of our new families, and a warm welcome back to all of our returning dancers and families. We are so excited about everything this season has in store!

Our 30th season is about celebrating where we have come from, while continuing to grow, learn, and create new experiences for our dancers. We are looking forward to an incredible year together!

Thank you for trusting us with your dancers and for being such an important part of our Dancefusion community.

With appreciation,

Cally Kuebler & Krista Soleski
Directors

A Special September Highlight

In September, we had the incredible opportunity to welcome John Morin back home to the studio.

John shared his experiences as a First Nations artist and spoke about his journey and contributions to the tap dance community.

It was a wonderful opportunity for our dancers to learn, listen, and gain a greater appreciation for the history, culture, and experience that shape the dance community.

We were absolutely thrilled to welcome John home and grateful that he shared his experience and knowledge with our students.

30 YEARS

Thirty Years

DANCEFUSION

ACADEMY OF DANCE

This season is particularly meaningful as we celebrate 30 years of Dancefusion Academy of Dance.

Thirty years of dancers.
Thirty years of teachers.
Thirty years of performances, friendships, memories, challenges, accomplishments, and countless moments on and off the stage.

We are so grateful to everyone who has been part of the Dancefusion story over the years — and especially to the families who continue to help make our studio what it is today.

We can't wait to celebrate this milestone throughout our 30th Anniversary Season!
