ACADEMY OF DANCE

WELCOME TO Season 30! ♥

Celebrating our past. Embracing our future. Continuing the Dancefusion legacy.

As we welcome you to **Season 30**, we do so with incredibly full hearts.

Thirty years of **Dancefusion** is so much more than a number. It represents thousands of classes, countless performances, late nights, early mornings, friendships, laughter, tears, accomplishments, challenges, and—most importantly—the generations of dancers and families who have walked through our doors.

For more than **27 years**, **Mary Anne** has poured her heart and soul into **Dancefusion**. She has built far more than a dance studio. She has created a community—a place where dancers could grow, families could feel connected, and so many beautiful memories could be made.

As Mary Anne steps away from her leadership role, we want to take a moment to recognize just how much she has given to this studio and to the countless people whose lives she has touched. ***The Dancefusion we know and love today exists because of her vision, her determination, and her unwavering love for dance and her families.***

While this is a new chapter, we want everyone to know that ***the heart of Dancefusion remains the same.***

We are incredibly honoured to welcome **Krista and Cally** as the new Directors of **Dancefusion** Academy of Dance. They are committed to carrying Mary Anne's legacy forward while bringing their own passion, ideas, and energy to the studio.

Yes, there have been some changes. The studio has been renovated and refreshed, and there are new people helping to lead the way—but these changes are simply part of moving **Dancefusion** into its next chapter. ***The values, relationships, and love for this community remain at the centre of everything we do.***

Our commitment is to our dancers and our families.

We want to continue providing a place where children feel safe to be themselves, where dancers are encouraged to dream big, where hard work is celebrated, and where friendships and memories last far beyond the dance floor.

***We also know that a legacy is not something you simply inherit—
it is something you continue to build.***

Together with our incredible staff, we are honoured to take on that responsibility.

***Mary Anne built the foundation.
Our staff helped make it a home.***

And now, together, we look forward to building the next chapter.

To every family who has been part of **Dancefusion's** story over the past 30 years: **thank you.** Thank you for trusting us with your children, for cheering from the sidelines, for supporting our dancers, and for helping make this community what it is today.

And to those joining us for the first time—**welcome to the Dancefusion family.**

***We cannot wait to celebrate 30 years of Dancefusion with you
and begin this next chapter together. ♥***

***Here's to honouring where we came from, appreciating where we are,
and being excited for everything that lies ahead.***

Welcome to the next chapter of Dancefusion. ♥

With heartfelt gratitude,

Krista & Cally
