

STUDIO ETIQUETTE

- Please do not disrupt classes. Any concerns or inquiries should be directed to the office. We do encourage open dialogue between parents, students, and teachers. Please allow us time to properly respond.
- Teachers' telephone numbers will not be disclosed for privacy reasons. Messages for your child's instructor may be left on the studio answering machine at any time.
- Please knock before entering a classroom. If you must enter, wait until the music has stopped playing, and then knock. Your entrance in the middle of an exercise is highly distracting to others.
- **Mobile phones** are to be powered off at all times in the classroom.
